Thursday 7th April

9.00 am – 12.00 am

Technical Workshop

Led by Rebekka de Leon: group exercises to give feedback to Mausund on how to create a sustainable tourism offer on the island, to respond to questions such as:

- How to facilitate ecotourism in the best possible way in vulnerable areas such as the Froan Nature Reserve?
- How to reach out with ecotourism - information to the tourists?

1.00 pm – 3.00 pm

EU project recommendations – follow – up session

Led by Marta Ferretti, SMILO
